

Resource 1.2: Examples for questions to key informant interviews

- How safe is this area?
- Are there schools in the area?
- What are the most pressing problems in this area?
- Are there certain behaviours, that you would like to see changed in the community?
- Who of the household members is responsible for decision making regarding the target behaviour?
- What kind of projects are going on in the area about the target behaviours?
- Is hardware for the behaviour available in the area? (Toilets, sinks, handwashing stations etc.)
- How often do people perform the target behaviour?
- How many people regularly perform the target behaviour?
- Which activities have been implemented?
- Who realized those activities?
- Who else should I talk to?
